Upgrade your home green and see green again

How do you differentiate your home on the market, add value, comfort and save on utilities? And qualify for tax incentives?

As your local REALTOR®, we are part of the green picture.

MyGreenToolkit.com shows how to make your home more energy efficient. My Green Toolkit.com is the place to learn how to make your home a better place to live, save money and qualify for tax and utility incentives to help pay for it all.

Go to www.MyGreenToolkit.com. We'll show you how to get started.
